Pairing Details

Please insert your sky viewing card in the “Sky Viewing Card” slot (not the “interactive” slot). On standard and Sky+ digiboxes, press “SERVICES” on your remote, followed by option 4 (“system details”). Ensure that the correct sky viewing card number appears on screen (this should match the 9 digit number on the back of the card).

For customers with a HD Sky+ digibox:

Press “SERVICES” on your remote, followed by the “right arrow” button. This will highlight “settings”. Now press the “down arrow” button, this will highlight “picture”. Now press the “right arrow” button several times until DETAILS (or SYSTEM DETAILS) is highlighted.
